Nate...

We don't understand how the BID's request for another year's banner renewal can possibly NOT be fully approved. The BID and its business stakeholders certainly don't want to lose all of the time and expense they have invested over the last 2 years in creating a successful Westchestrer Town Center BID brand. I'm sure the Council Office is in complete support because they benefit from the success of our business district as well. Can you assist us with this please?

Hi Mireya,

Only the last location can stay for another year, all others were denied due to conflicts. The installation dates are 6/6/13-6/6/14. Have a great weekend.

Good Morning Gill, hope you had a great memorial day weekend J

I need your assistance, we have a permit that will be expiring soon for Westchester Town Center PERMIT #B201100353, and I seem to be having problems renewing the permit online.

Please see below, this is the notice I got when trying to renew the permit.

My customer has provided a motion letter, which is attached so that the permit

can be renewed for another year.

As always I greatly appreciate your help. J

Have a great day!
